WINTER 22 ACTIVITIES PROGRAMME

WELCOME

Hello Everyone,

Winter and the festive season is finally here with us and we are delighted to present the most anticipated winter activities programme for Newham's children and young people.

To ensure you don't miss out on anything, we have produced this winter brochure, which contains information about all the free activities on offer, the dates and the venues.

We understand the challenges young people and their families face in light of the cost of living crisis. To support you and your family we have tried to ensure you have access to as many free activities as possible to help lighten the burden.

For families who are in receipt of benefits related free school meals, the Council is making a nutritious meal offer available during the school break.

The Holiday Activity and Food (HAF) section in this brochure, has information of places that have been funded to provide free wholesome meals and exciting activities to those who receive benefits related free school meals. Please make sure you have a look at this section and book slots as early as possible.

The Council is also offering a range of inclusive activities to cater for our vulnerable young people so that no one is left out.

Our Youth Zones will provide a variety of exciting activities such as basketball, table tennis, dance, arts and crafts, cooking, pool, PS4 computers games and football. Refreshments, lunch and dinner will also be provided.

A range of festive family fun activities from Festive lego making to festive family quizzes, festive arts and crafts, plus family movie and popcorn shows, are some of the fun activities on offer at your local libraries.

In this brochure, you will find important information on how to get help and support during the festive season. This will include help with your finances, how to stay healthy during the winter season, available warm havens and much more

We hope this special festive offer will ease the financial pressure some of you face and that you will take part in the events, make new friends, learn new skills and most importantly have fun!

Finally, we would like to wish you all a safe and fantastic festive season and a wonderful New Year.

HOLIDAY ACTIVITIES AND FOOD

Newham's Winter Holiday Activities & Food (HAF) Programme, which has been funded by the Department for Education, is filled with lots of exciting activities as well as a nutritious meal, and is taking place across the borough.

Children and young people who are eligible for benefits related free school's meals can access the HAF programme. To book a place you will need to contact the providers in this section.

There are some circumstances when children and young people not in receipt of benefit related free school meals can still book a space. To do this please contact your preferred provider to discuss.

If you are not able to secure a space on the HAF programme there are still lots of other winter activities on offer in the libraries and youth zone sections of this brochure (some of these sessions will require booking).

This will involve learning about research techniques, how to source information and how to apply the information that they have found in answer to a targeted assignment brief. WARM HAVENS CHARTER.

WHAT IS A WARM HAVEN?

- As part of Newham Council's Cost of Living Crisis response, we've established a network of Warm Havens in collaboration with partners from the voluntary, community and faith sectors.
- Warm Havens are safe, non-judgemental warm spaces where residents can go, free of charge, for whatever reason they like.

WHAT DO WARM HAVENS PROVIDE?

- Staff and volunteers will provide a warm welcome and a listening ear, and some may offer a warm drink.
- You can access information and support, or you'll be signposted to where you can get information and support, including from the Council.

WHO ARE WARM HAVENS FOR?

- Warm Havens are for everyone and are open from October 2022 to March 2023. Some are open for anyone to walk in, such as the Council's libraries, while others may work slightly differently.
- You will be welcomed at one of the Warm Havens whoever you are and for whatever reason you want to come. No one at a Warm Haven will ask why you are here.
- You can come to any Warm Haven to meet people or you can come to be alone – everyone's needs are different and will be respected.

WHAT DO THE WARM HAVENS ASK OF THOSE ATTENDING THEM?

- Please respect one another and be sensitive to everyone's different reasons for coming to the Warm Haven.

Newham Warm Haven Grant Programme

Frequently Asked Questions

1. What are the start and finish dates for the grant programme?

The Warm Havens Grant Programme runs from Friday, 4 November 2022 to Friday, 31 March 2023. If you are successful for the grant you can start delivering right away. You are best positioned to determine your specific start and finish date based on the experience of service users and knowledge of the community.

2. What are the minimum number for sessions?

We have not specified a minimum number of sessions as each Warm Haven provision is likely to have its own local expectations and challenges. However, the application will be scored on 'value for money' and we encourage applicants to consider how best the grant can be spent to support vulnerable residents. Please have a look at the 'priority' heading in the guidance form.

3. How much money can we apply for?

An organisation can apply for a maximum of £500 as a one-off grant under the Warm Havens Grant Programme.

4. Can we apply for several projects?

Yes. We are happy to consider organisations that deliver a Warm Haven provision over two sites. However, the sites must serve different parts of Newham and reach different resident groups. To maintain a fair approach, we will first prioritise organisations who have made a single application.

5. Can we apply for both Warm Havens Grant and Newham Food Alliance Grant?

No. You can only apply for one of the grant programmes. Newham Food Alliance member should apply for the Newham Community Hot Meals in Warm Spaces

6. Where will the Warm Havens sites be advertised?

The Warm Havens sites will be advertised on the Council's interactive map at www.newham.gov.uk/warmhavens. You can search for your local Warm Haven site by typing in your postcode.
