

Dear Parents/Carers,

We have been able to confirm a venue to possibly host a limited childcare provision next week. We would only be able to offer this to our full time children at present. We understand that the venue may not be a feasible option for some parents due to the location/distance from our current provision. **PLEASE NOTE this is subject to receiving Ofsted Authorisation which has not yet been received.**

### **Proposal**

The proposal would be to work out of the venue:

#### **Early Start Nursery**

**2 Shrewsbury Road, London E7 8AL.**

- Operating at the same times from 8am to 6pm.
- Breakfast, Lunch and Tea would be provided for by our catering company but may be in the form of cold lunches such as sandwiches for this period.
- Our staff would be on hand to facilitate this and we would have a separate entrance/exit to the current nursery. It would be a temporary set up until we are back in our normal site.

### **Next Steps**

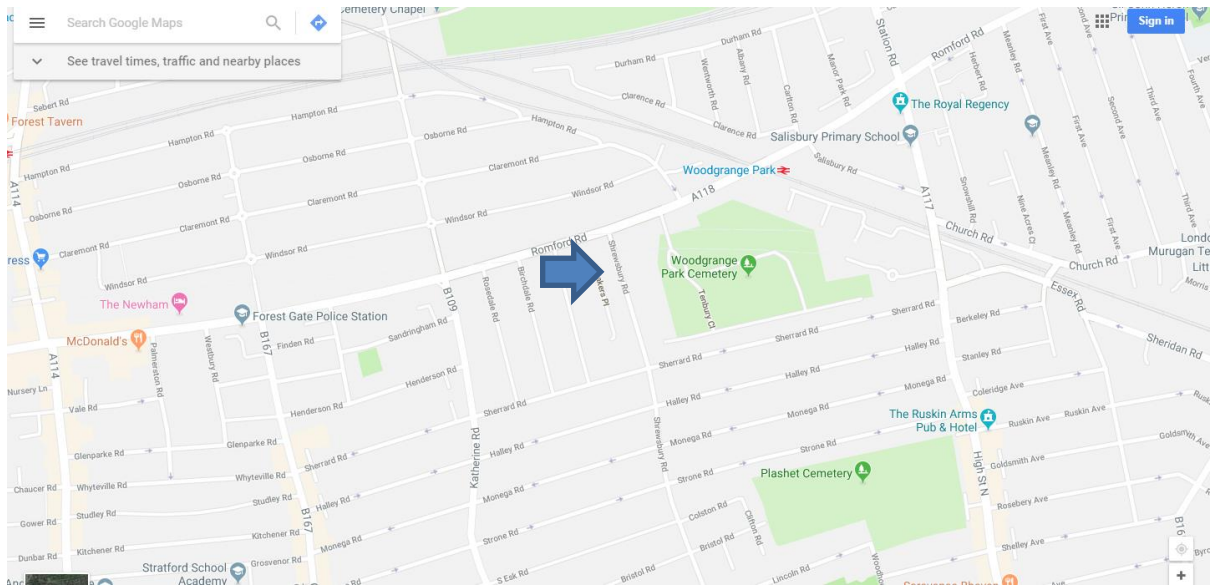

In order to be able to plan , we need an indication of the number of people who would be interested in this option. Please remember:

- Even if you express an interest we cannot guarantee this provision until we hear from Ofsted.
- Therefore, the earliest this provision could now start is Tuesday 9th October and in fact it may be later than this.

### **What You Need To Do Next**

By the end of tomorrow night (Monday 8th) we will need a response to if you wish to take up this option or not. Please respond with your answer to this number **07990743650, please text with a YES or NO with your child's name.** This will help us to identify where we would best need to place our staff. The places would be allocated on a first come, first served basis due to the limited numbers.

Please take a moment to have a look at the location of the nursery on google maps and decide if this may work for you.

I know this situation is far from ideal but I am sure you join me in thanking Early Start for the opportunity to offer even this limited provision and I will of course contact you as soon as we hear from Ofsted.

Thank you for your ongoing patience and support.

Kind Regards,  
Sheleena Laskar
