

Dear Parents and Carers,

Thank you to everyone who attended our sessions last week about how the school teaches Sex & Relationship education. It was great to see such positive feedback to the sessions and we are glad that you found them so helpful. In response to requests made by parents during these sessions, I can confirm that the 'Changing Me' unit will be taught throughout the school during the week beginning the 25th June so you can have conversations with your children in advance if you so wish. A reminder will be put into the newsletter nearer to the time. Thank you again for your attendance and support.

Sue Ferguson

Up & Out Week

This week is our 'Up and Out' careers week. The children have been learning all about the world of work and meeting people from many different professions. They have been learning about their own strengths and areas for development as well as taking part in workshops to write C.V.s and practise interview skills.

Please remember that on Friday (26th) children can come dressed as what they would like to be when they grow up.

Thank you to all the parents and companies who have kindly volunteered to come and work with the children throughout this week.

PE Kit

Please ensure your child brings their PE kit into school every Monday. It can then be taken home at the end of the week to launder it. Children should be in correct PE kit which is:

- White plain t-shirt (logo optional).
- Navy or black shorts or track suit bottoms (in warm weather shorts are usually preferable)
- Black plimsolls (these are preferable to trainers as they are more flexible).

Thank you for your support in this matter.

E-Safety - Tip of the Week

Subject: Advice for parents with young children - discover the Internet together!

Be the one to introduce your child to the internet. For both parent and child, it is an advantage to discover the internet together. Try to find websites that are exciting and fun so that together you achieve a positive attitude to internet exploration. This could make it easier to share both positive and negative experiences in the future. This also gives you a chance to build up their understanding on being safe online. If you would like any help with this or find out more about recommended sites please feel free to speak to your child's teacher or speak to Ms Osobu our Computing Lead.
