

Dear Parents and Carers,

We hope you had a wonderful bank holiday and managed to enjoy some of the sunshine. As you will see from the newsletter, from the 25th May 2018 new legislation comes into effect in relation to how your data is handled by all organisations. This will mean that you will shortly be contacted in relation to various permissions including about us sending you the newsletter and your child's name appearing in it. Please make sure that you complete and return this otherwise we will not be able to send you this information in future. Thank you.

Sue Ferguson

General Data Protection Regulation (GDPR)

From the 25th May 2018, new regulations will be introduced which affects how all organisations, including schools, handle people's data. This is called the General Data Protection Regulation. Compliance with the regulations will be an ongoing process and EWPS has appointed a data protection officer to advise and manage compliance with the regulation. Their details are:

Data Protection Officer: Craig Stilwell
Company: Judicium Consulting Ltd
Address: 72 Cannon Street, London, EC4N 6AE
Email: dataservices@judicium.com
Telephone: 0203 326 9174

We will be publicising policies and procedures and notices that are compliant with the new regulations in the coming months and will keep you informed of developments. For the time being, your child's data will be handled in the same manner in accordance with legal principles.

In the meantime we thank you for your patience whilst we take the necessary steps set by the new legislation and guidance with handling data

SATs – Year 6 and Year 2

Year 6 SATs week is next week. All papers are sat under test conditions and the timetable is as follows:

Date	Activity
Monday 14 May	English grammar, punctuation and spelling papers 1 and 2
Tuesday 15 May	English reading
Wednesday 16 May	Mathematics papers 1 and 2
Thursday 17 May	Mathematics paper 3

Year 6 children can come in for 8.30 on Monday 14th to Thursday 17th as the school will provide a breakfast for them so that they can spend some time together and hopefully rid themselves of some of those nerves! Even if they have already had breakfast it is beneficial for them to be in as it stops any worrying about getting held up in traffic and also provides them with an opportunity to be with their friends. Year 6 morning booster sessions then stop from Friday 18th.

Year 2 SATs occur throughout the week beginning the 14th and 21st May. These are generally done in small groups throughout the two weeks and do not therefore follow a specific timetable.

Operation Encompass

Ellen Wilkinson Primary School has been given the opportunity to take part in a project that will run jointly between schools and Newham Borough Metropolitan Police.

Operation Encompass is the reporting to schools before 10am on a school day when a child or young person has been involved or exposed to a domestic abuse incident the previous evening.

Operation Encompass will ensure that a member of the school staff, known as a Designated Safeguarding Lead, is trained to allow them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have been involved in, or exposed to, a domestic abuse incident.

We are keen to offer the best help and support possible to all our pupils and we believe this will be extremely beneficial in effectively meeting the needs of the children and families involved.

Morning Drill

Along with many schools in this country and across the globe EWPS had an emailed HOAX bomb threat first thing on Tuesday morning. The police were immediately contacted and advised us that there was no risk to the school. We therefore took this opportunity to hold a practise emergency evacuation drill prior to registration. Thank you for your cooperation.

Fasting

If your child is in year 5 or 6 and as a family you are considering them fasting for religious observance on a school day, please contact the Headteacher at least a week in advance to arrange a time to discuss this further. Thank you.

Lost property

We have a growing mountain of lost property! Therefore at the end of school for the rest of the week we will be making sure that this is easily accessible. Please take time to check this and if there are any items which are unnamed we are more than happy for you to claim them! Any items remaining after the end of school on Friday will be placed into the clothes recycle bin. Thank you.

E-Safety - Tip of the Week

Subject: Concerned about who your child might be talking to online?

Did you know that there is a wide range of support materials on the think you know website to help you talk with your child about staying safe online?

Information is split into topic and also the age range of your child so that you can find something which is suitable for your situation.

So why not log on and have a look!
