

## Dear Parents and Carers,

We hope you are having a wonderful week. Just a reminder we have parents evening this Thursday. Food tasting from our new menu will take place in the hall. Work is progressing well in the playground and is on schedule. It has been another exciting week here at EWPS with Year 6 attending a Viking workshop, also Year 4 are due to attend the cinema on Friday. Don't forget to check out all the up and coming dates at the end of this newsletter. Thank you. Sue Ferguson

### Parents Evening

Parents Evening is this Thursday (8<sup>th</sup>) for all classes. Appointments have been sent out with your child. If you have not booked an appointment please contact the class teacher as soon as possible to arrange the meeting. Appointment times allocated have been confirmed in your child's home school book.

### Parking

Please park **safely and legally** if you bring your child to school by car. Please also take extra care at the moment as we have a lot of pedestrians coming straight out of our temporary gate which is right next to the road of Dove Approach. Thank you.

### Playground Works

Work is still continuing on the large playground. This does mean that we have less storage for bikes and scooters until this is completed. It also means that there will be some noise from equipment during the school day but this will stop during the times children are using the playground.

Please also take extra care with the raised manhole near the gate you are using at the moment. This will be addressed during the works but can't be cordoned off at present as we need to retain emergency access to the site. If you have any questions about this work please speak to Mrs Ferguson.

## Dear Parents and Carers,

We hope you are having a wonderful week. Just a reminder we have parents evening this Thursday. Food tasting from our new menu will take place in the hall. Work is progressing well in the playground and is on schedule. It has been another exciting week here at EWPS with Year 6 attending a Viking workshop, also Year 4 are due to attend the cinema on Friday. ### Parents Evening

Parents Evening is this Thursday (8<sup>th</sup>) for all classes. Appointments have been sent out with your child. If you have not booked an appointment please contact the class teacher as soon as possible to arrange the meeting. Appointment times allocated have been confirmed in your child's home school book.

### Parking

Please park **safely and legally** if you bring your child to school by car. Please also take extra care at the moment as we have a lot of pedestrians coming straight out of our temporary gate which is right next to the road of Dove Approach. Thank you.

### Playground Works

Work is still continuing on the large playground. This does mean that we have less storage for bikes and scooters until this is completed. It also means that there will be some noise from equipment during the school day but this will stop during the times children are using the playground.

Please also take extra care with the raised manhole near the gate you are using at the moment. This will be addressed during the works but can't be cordoned off at present as we need to retain emergency access to the site. If you have any questions about this work please speak to Mrs Ferguson.

## Dear Parents and Carers,

We hope you are having a wonderful week. Just a reminder we have parents evening this Thursday. Food tasting from our new menu will take place in the hall. Work is progressing well in the playground and is on schedule. It has been another exciting week here at EWPS with Year 6 attending a Viking workshop, also Year 4 are due to attend the cinema on Friday. Don't forget to check out all the up and coming dates at the end of this newsletter. Thank you. Sue Ferguson

### Parents Evening

Parents Evening is this Thursday (8<sup>th</sup>) for all classes. Appointments have been sent out with your child. If you have not booked an appointment please contact the class teacher as soon as possible to arrange the meeting. Appointment times allocated have been confirmed in your child's home school book.

### Parking

Please park **safely and legally** if you bring your child to school by car. Please also take extra care at the moment as we have a lot of pedestrians coming straight out of our temporary gate which is right next to the road of Dove Approach. Thank you.

### Playground Works

Work is still continuing on the large playground. This does mean that we have less storage for bikes and scooters until this is completed. It also means that there will be some noise from equipment during the school day but this will stop during the times children are using the playground.

Please also take extra care with the raised manhole near the gate you are using at the moment. This will be addressed during the works but can't be cordoned off at present as we need to retain emergency access to the site. If you have any questions about this work please speak to Mrs Ferguson.

## Dear Parents and Carers,

We hope you are having a wonderful week. Just a reminder we have parents evening this Thursday. Food tasting from our new menu will take place in the hall. Work is progressing well in the playground and is on schedule. It has been another exciting week here at EWPS with Year 6 attending a Viking workshop, also Year 4 are due to attend the cinema on Friday. Don't forget to check out all the up and coming dates at the end of this newsletter. Thank you. Sue Ferguson

### Parents Evening

Parents Evening is this Thursday (8<sup>th</sup>) for all classes. Appointments have been sent out with your child. If you have not booked an appointment please contact the class teacher as soon as possible to arrange the meeting. Appointment times allocated have been confirmed in your child's home school book.

### Parking

Please park **safely and legally** if you bring your child to school by car. Please also take extra care at the moment as we have a lot of pedestrians coming straight out of our temporary gate which is right next to the road of Dove Approach. Thank you.

### Playground Works

Work is still continuing on the large playground. This does mean that we have less storage for bikes and scooters until this is completed. It also means that there will be some noise from equipment during the school day but this will stop during the times children are using the playground.

Please also take extra care with the raised manhole near the gate you are using at the moment. This will be addressed during the works but can't be cordoned off at present as we need to retain emergency access to the site. If you have any questions about this work please speak to Mrs Ferguson.
