

Headteachers Message

Dear Parents and Carers,

This week our children in year 2 and 6 have started to take their SAT's tests. These are national tests that all children in England take at the end of Key Stage 1 and 2. The children have been working very hard and I am sure you join me in wishing them the best for the rest of this week.

You will also notice that we do have stars of the week or punctuality and attendance winners this week. This is because the children held their Quarter 3 Learning Fair last Friday. This gives children in years 1 to 6 a chance to go and visit each other rooms to see what they have been learning about during the quarter. These sessions are planned and taught by the children themselves and gives them a chance to share the knowledge and skills they have gained during the unit. Please ask your child about their experience during these events.

General Messages

Fathers' Day Mugs

We have the opportunity for children to create a design which is then printed on their own mug for Fathers Day. These will cost £7 and designs and money must be with the school by Wednesday 22nd May in order for the designs to be printed in time. More information is being sent home with this newsletter.

Celebrate London History Schools Day 2019 (Friday 24th May)

EWPS is taking part in the London Mayor's London History Day because we agree that it is important that we all celebrate London's amazing history, people and places. This year's theme is community and unity in support of the #LondonisOpen campaign.

Children are encouraged to come dressed as a famous or historical London person or icon (monarchs, athletes, inventors, artists etc)

As part of environment awareness, we will also be promoting upcycling throughout the day. So we would really appreciate it if you could send in as much plastic, cardboard and packaging so that the children can use them through the day. Thank you.

Learning Tips

Reading Tip 16:

Be positive

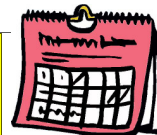

If your child says something nearly right to start with that is fine. Don't say 'No. That's wrong,' but 'Let's read it together' and point to the words as you say them. Boost your child's confidence with constant praise for even the smallest achievement.

E-Safety Tip of the Week

Explore together!

Explore your child's online activities together. Understand why they like playing certain games and make sure they know what they can do to keep themselves safe.

Upcoming Diary Dates

- 13.05.19 - 17.05.19 KS2 SATs week
- 13.05.19-24.05.19 KS2 SATs week
- 23.05.19 - Polling day closure
- 25.05.19 - Last day of term
