

Headteachers Message

Dear Parents and Carers,

It was lovely to see so many of you at the Summer Fete last week, we hope you had a wonderful time (and fortunately it even stayed dry!). I'm really pleased to inform you that in total we raised over £1500, part of which goes to our House charities and part of which is used to support additional activities and equipment for the children.

Going into next week we have a number of important things happening so please take time to check the newsletter for further details.

Congratulations and thank you to everyone involved in Healthy Eating Week. There were lots of activities including food tasting, bread making and even making smoothies using a bicycle to power the mixer!

E-Safety Tip of the Week

Talk to your child

We talk to children about crossing the road, bullying and speaking to strangers. But what about staying safe in the digital world? Having regular conversations about what your child is doing online - just like you would their day at school - is the best way to keep them safe.

Learning Tips

Reading Tip 22:

Regular practice

Try to read with your child on most school days. 'Little and often' is best.
