A combination of factors may increase your risk of fire. Please let us know if you identify with any of the following: you are a smoker; over 60; live alone; are in receipt of care; have a mobility, vision or hearing impairment; use mental health support services or you are affected by drug/medication or alcohol use. We also need to know if you have any specific requirements we should be aware of when contacting you e.g. translation services (BSL or other languages).

Privacy notice: When London Fire Brigade collect and process information about you we do so according to UK data protection law. This means we will be fair and transparent about the data we collect and we will keep your information safe. We will use the information you have provided within this HFSV request form to provide you with fire safety advice. We may also share your information with other trusted organisations we have partnered with to provide wider health and wellbeing services. If you have any concerns about how your information is used, please email: informationaccess@london-fire.gov.uk.
