Additional support

If your child is finding the activities difficult to access, then please let us know.

Challenges

Maths: <https://www.bbc.co.uk/bitesize/articles/zhmbrj6> After each challenge, ask your child to explain their working out.

English: Think about a time whilst at home when you did something fun e.g. going on a walk, playing in the garden, painting, watching a movie, baking, chatting on Zoom with your class, playing with toys, etc. Choose one of those times and write about it. Make sure your sentence include C.F.F, adjectives and that they make sense! Also ensure your sentences answers the following questions: What did you do? Why did you do it? How did it make you feel?

Example: I had a Zoom call with my class. I felt very happy to see the children and speak to them. We spoke about so many things that the children did. Everything went very well and we all had lots of fun. I am excited to speak to them again next week!
