		<u>Challenge:</u> What other reptiles can you research and write about?	<u>Challenge:</u> What other amphibians can you research and write about?	<u>Challenge:</u> What other birds can you research and write about?	lockdown in Newham. Have a go at home! <i>On-going project.</i> <i>Deadline: 30<sup>th</sup> June 2020</i>
--	--	--	--	---	---

## Key information:

The Young Newham Story project is looking for drawings, photographs, paintings or anything creative to represent lockdown in Newham. Have a go at home!

- Tower of confidence: Draw a tower of blocks and in each block, write something about yourself that you're proud of e.g. I can draw really well, I can ride a bike, I can dance, I'm good at Maths, I do gymnastics, etc. Make you tower as tall as possible! Discuss all the things in each block with someone at home!

<https://jr.brainpop.com/health/feelings/emotions/> - what are emotions and how can we deal with them? After watching the video, talk to someone about your emotions and how you could deal with them.

**Home learning project:** Before lockdown, children were given a home learning project based on a significant individual. Children can also continue working on this through the week. It could be focused on any significant individual from around the world, or your culture even! Projects can be in the form of a PowerPoint presentation, poster, 3D sculpture, artwork, etc.
