

EWPS Overview Framework

The following pages show the unit overviews for the Changing Me unit for the Jigsaw scheme of work in each year group.

You will see that in every year group draft amendments have been made (shown by the red boxes).

Sometimes we have amended the vocabulary being used, sometimes specified that the lesson should be taught in single sex groups and sometimes that the entire lesson not be taught.

These draft amendments have been made based on previous feedback from parents over the last couple of years and in light of the Local Authority wider consultation and resulting draft policy.

These proposed changes are now part of a wider formal consultation with our school community including parents/carers and staff.

Consultation events to find out more, add your comments, and view materials are being held to support this and then we will ask everyone to complete an online survey to let us know your thoughts. Please see the main letter which explains this further.
