Little Ellies

Vision, Values and Aim

Our Vision

At Little Ellies we believe that children who begin their education in a learning environment that is vibrant, purposeful, challenging and supportive, stand the best chance of developing into confident and successful learners. This goes hand in hand with our vision '**Learning to Grow and Succeed Together**'.

Our Nursery Values

At Little Ellies we expect everyone in our community to embody our core values. In order to do this everyone has the right and the responsibility to be:

- Inspired and inspire others
- Respected and respect everyone
- Successful and help others to succeed
- Resilient and help others to develop resilience
- Heard and cared for

Our Aim

At Little Ellies our aim is to work in partnership with our parents, and we believe this is of the utmost importance. Together, we can meet your child's individual needs and give your child the best start in life. This will enable all children to be confident, independent learners and achieve their full potential.

How do we develop our partnership with parents/carers?

- Respecting and listening to parents when settling their children into the nursery.
- Sharing any relevant information.
- Parents to complete settling visits within the nursery.
- Parents share their skills and promote understanding of different cultures, participating in festivals and cultural activities.
- Fun days, parents' evenings and questionnaires.
- Parent board for comments, suggestions and compliments.
- Open door access to nursery staff to discuss any matter respecting their child.
- Coffee mornings, story sessions and extracurricular activities promoted.

Inclusive learning

At Little Ellies we operate a policy of inclusive learning. We aim to achieve this by ensuring that every child attending our nursery receives appropriate support for any additional need. All children have equal access to all the learning experiences delivered by the nursery. We endeavour to reflect the cultural diversity of our community.

Area of learning

The Early Years Foundation Stage is organised in to the following areas of learning:

Prime

- Personal, Social and Emotional Development
- Communication and Language
- Physical Development

Specific

- Literacy
- Mathematics
