January Events

Events this month

This month we really want to push storytelling...

If you have time please pop in on a **Friday morning** to read some stories with the children **from 9am to 10am**. We will have story sacks out for immersive storytelling or if you would like to tell a story in your home language to the children, that will be amazing. Language and oracy is key at this age and stage for all children and building a love for books and storytelling is key to ensuring children have great imaginations. Just let a staff member know if you are able to join us each week.

Keeping Children Safe

This section is to give you information and tips on the best ways to keep children safe. We as a setting have statutory documents that we are given training on every year. Keeping children safe in education is one of them and has been updated in September 2022 (see our safeguarding board). Have a look at the Keeping children Safe in Education 2022 document with the link below.
