

Little Ellies July 2026

Dear Parents & Carers,

We have reached the end of this academic year 2025-2026.

We want to take this opportunity to thank all parents and carers who have supported us, engaged with feedback and celebrated milestones every step of the way. We are extremely proud of the journey that the children have successfully completed and the impact it is showing in their confidence and language. I also want to say a big thank you to the staff of Little Ellies who deliver their practice with passion and care everyday. They truly make the setting shine! To the children moving on, dream big and we wish you the very best for the journey ahead!

Planned building works - Monday 20th July 2026 to end of August

There is planned building works to the back of the Little Ellies building which directly impacts the setting this summer. The subsidence in the area has collapsed the toilet drainage system and this is all being replaced. We apologise for the inconvenience.

Little Ellies will run out of the Ellen Wilkinson Primary School Nursery which is located through the main school entrance on Tollgate road. The nursery building is to the right of the building when you enter the main school entrance. Staff will be on hand from Monday 20th July to assist you.

Please note that there is a Bank Holiday coming up on Monday 31st August and we will be closed on this day, otherwise we are open through the holidays for our full time paying parents. Flutera and I will be on site and we will continue to manage and check in on emails. Responses from Mark may be slow as he is not in through the holidays.

The Nursery reopens for all term time children on Monday 7th September and new starters will begin on Tuesday 8th September. Please see the new diary dates attached. Please note some dates may still be subject to change.

August's Book of the Month

Community, Wellbeing and Support

Stay safe around water in Newham
Keep yourself and others safe:

- ⚠ Stay away from the edge of rivers, docks and canals.
- 🚫 Do not enter the water to get lost objects.
- ❄ Water can be very cold, even on a hot day.
- ⬇ Water can get deep very quickly.
- 📞 If someone is in trouble, call 999. Do not go into the water to help them.

Learn to swim safely at Newham's leisure centres.
